Dibrugarh, Assam, India | dass34171@gmail.com | linkedin.com/in/sandeep-das-855291303

## CAREER OBJECTIVE

Data Analyst with strong foundations in Excel, SQL, and Power BI. Experienced in data cleaning, analysis, and dashboard creation through hands-on projects. Seeking an entry-level data analyst role or internship to deliver actionable insights and support data-driven decision-making.

## TECHNICAL SKILLS

- Data Analysis:** Excel (Pivot Tables, Charts, VLOOKUP, Slicers), SQL (Data Cleaning, Queries, Aggregation), Python (Basics, Data Handling)
- Visualization & BI:** Power BI (Dashboards, KPIs, Slicers)
- Others:** Git & GitHub, Basic Statistics, Trend Analysis, Web Development

## PROJECTS

### HR Employee Attrition Analysis Dashboard (Excel)

- Analyzed attrition trends of employees by age, job role, income, and satisfaction levels
- Designed an interactive Excel dashboard using pivot tables, charts, and slicers
- Identified key factors influencing employee turnover to support HR decision-making

### Zepto Inventory Data Analysis (SQL)

- Created and analyzed an inventory database using SQL
- Cleaned data by handling null values and validating records
- Explored product categories, stock availability, and pricing patterns

### Apsara E-commerce Sales Dashboard (Power BI)

- Developed an interactive Power BI dashboard for e-commerce sales analysis
- Visualized sales, profit, customer behavior, and payment mode trends
- Built KPIs to track performance and identify growth opportunities
